Yuqin Feng

Human Resources

REACH OUT

About Me (she/her)

I am a high-performing psychology major eager to join an innovative organization, where I can apply my human resources knowledge and skills in a startup environment.

Relevant Experience

2030 HUMAN RESOURCES INTERN
Kyobi Games

Explain the responsibilities you had in this role. This space gives you more room to expound on your message. Remember that writing effectively is an art. Start by using simple everyday words people can easily understand. Be clear and direct to the point. Keep your thoughts flowing logically, and aim for brevity.
